FORTY - FIRST ANNUAL REPORT OF THE COMMITTEE for presentation at the ANNUAL GENERAL MEETING OF GOVERNORS to be held at the MUNICIPAL BUILDINGS, SOUTHEND - ON - SEA, on 8th APRIL, 1929.

The office of Chairman of the General Committee was served during 1928 by Mr. Edmund Stone and that of Vice-Chairman by Mr. Albert Mitchell.

Upon the departure of the Chairman during the autumn on holiday, Mr. Chalton Hubbard, J.P., was elected Acting-Chairman during his absence.

The House Committee conducted its work under the Chairmanship of Mr. J. Wright, the Finance Committee under that of Mr. Albert Mitchell, and the Buildings Committee under that of Mr. Councillor G. Bedwell.

During the year the following members of the Honorary Medical Staff vacated their appointments in manner stated:—

Mr. F. E. Gill, L.D.S., R.C.S.,

resignation.

Hearty thanks are tendered to these gentlemen for
their valuable services to the Hospital.

In accordance with Rules 35 to 38, the Committee
have made provisional appointments arising out of the
foregoing retirements and recommend the same for
confirmation as follows:—

Dr. H. Cleveland Smith, M.R.C.S. (Eng.), L.R.C.P.
(Lond.), D.P.H., J.P.,

Two new departments have been opened during the
year and the following provisional appointments are
recommended for confirmation:—

Mr. B. Whitchurch-Howell, F.R.C.S. (Eng.),
to be Honorary Surgeon to the Orthopædic Depart-
ment.

Dr. T. Blanchard Sellors, M.D. (Dunelm), L.R.C.S.I.,
L.S.A.,
to be Honorary Physician to the Skin & Light
Department.

The Hospital maintains its high standard as a training school for nurses. Six probationers sat for the Preliminary Examination and three for the Final examination of the General Nursing Council for England and Wales, all of whom were successful, and it is with great pleasure the Committee tender their thanks to the Hon. Medical Staff, the Matron and Sisters for their effective tuition of the candidates.

Mr. S. F. Body resigned his seat on the Committee and the vacancy was filled in accordance with Rule 26 by Mr. T. R. Wilcox, and upon his resignation by Mr. C. O. Benson. Upon the latter's resignation towards the end of the year the vacancy remains unfilled.

The supply of surgical appliances to out-patients, by means of the Ingram Fund, has been continued. It has proved of very great assistance and a debt of gratitude is owing to Mrs. J. C. Ingram, the generous donor, who in this way maintains the association with the Out-patients' Department of the honoured name of the late Alderman J. C. Ingram, J.P., whose munificence defrayed the cost of the original furnishing of the department.

An extraordinarily valuable service is rendered by those members of the Local Branch of Toc H and other ladies and gentlemen who furnish volunteers for Blood Transfusion. Ten operations took place during 1928 and to those who rendered aid on those occasions, and the larger number who hold themselves in readiness, grateful thanks are tendered.

Cordial acknowledgments are made of the continued kindness of Mr. W. H. Sheridan who has defrayed the cost of removing the X-Ray plant and equipment originally provided by him to its new quarters, and also to the Essex Branch of the British Red Cross Society, Chelmsford, for their gift of £50 to provide two Ultra Violet Ray Lamps for the new Artificial Sunlight Department.

It is with great pleasure that the committee report the naming of "The Wheaton Bed" in the Women's Ward by the payment of a donation of £500 by Miss F. Wheaton and the generous donor is asked to accept this expression of thanks.

Negotiations with the New General Hospital Fund Committee.

Definite progress was made in the negotiations for the amalgamation of the New Hospital Fund and this

Institution when under date of the 26th June, 1928, the Mayor's Conference on which the Victoria Hospital representatives were Mr. Edmund Stone, Mr. Albert Mitchell and Dr. Sydney Bridger, and the New Hospital Fund representatives were Mr. Alderman Herbert A. Dowsett, J.P., Mr. J. W. Burrows, J.P., and Dr. L. Gordon Hopkins, under the Chairmanship of the then Mayor, Mr. Councillor A. Bockett, reported the terms of a provisional agreement.

This agreement, after approval by this Committee, was duly submitted to a Special General Meeting of Governors on the 25th of July and unanimously adopted.

The report provided (*inter alia*) that a scheme of transfer of assets and a form of constitution should be prepared by Counsel and this document is now under consideration by Counsel for both parties instructed by their respective Honorary Solicitors.

The adoption of the report of the Mayor's Conference involved a considerable exchange of membership between the Committees of the amalgamating bodies and this was duly made effective; it is now further recommended that in addition to the representation given to the New Hospital Fund on this Committee that the Chairman for the time being of the New Hospital Fund shall be, *ex officio*, a member of this Committee and of its Standing Committees and Sub-Committees.

Arising out of the report of the Conference and in order to co-ordinate the fund-raising work of the Southend Victoria Hospital and the New Hospital Fund, pending effective amalgamation, an Appeals Committee was formed and is now functioning under its terms of reference, which are as follows:—

“The Appeals Committee to take steps to raise funds for the maintenance of the Victoria Hospital and for the building and equipment of the New Hospital and to sanction application for schemes and entertainments for such purposes. All existing efforts to continue to devote their proceeds as previously and the proceeds of all schemes and entertainments already or hereafter sanctioned to be devoted to the Fund for which sanction was given.”

In pursuance of the foregoing, a scheme has been agreed between this Committee and the New

Hospital Fund Committee under which procedure in the matter of appeals is being regulated.

Under the terms of the report of the Mayor's Conference, exchange of representation has taken place between the two Committees.

Members of the Southend Victoria Hospital with seats on the Committees of the New Hospital Fund:—

Mrs. H. W. L. Hobbs; Mrs. H. J. Jefferies; Mrs. Councillor C. Leyland; Mrs. G. Dunlop-Martin; Mrs. R. C. N. Muggleton; Mrs. Henry White; Mrs. W. J. Wood; Mr. Councillor G. Bedwell; Mr. J. Posner; Mr. F. W. Blake; Mr. W. J. Clark; Mr. W. Enever; Dr. D. D. Evans; Dr. L. Gordon Hopkins; Mr. E. Cecil Jones; Capt. G. Dunlop-Martin; Mr. Wm. R. Masters; Mr. R. Schafer; Dr. G. T. Foster Smith; Mr. G. H. Symons; Mr. R. T. W. Tucker and Mr. J. Wright.

Members of the New Hospital Fund with seats on the Committees of the Southend Victoria Hospital:—

Mrs. Councillor M. Broom; Mr. J. W. Burrows, J.P.; Mr. J. Hitchcock; Mrs. Councillor C. Leyland and Mr. Wm. R. Masters.

Hospital Extensions.

During October, owing to constantly increasing demands upon the Hospital services, the House Committee produced proposals for the augmentation of accommodation in Warrior Square.

In view of the working arrangement with the New Hospital Fund Committee, that body was acquainted with the circumstances and intimated their agreement with the extreme urgency of the need and the matter was made public in the local Press over the signature of the Acting Chairman of the Southend Victoria Hospital and of the Chairman of the New Hospital Fund Committee.

A contribution of £25 towards the cost of the new building has very generously been made by Mr. Rodney Maingot, F.R.C.S.

Income and Expenditure.

The Total Income of the Hospital for 1928 shows a decrease compared with that for 1927 of approximately £1,273, and in view of the fact that it was the year in which the full benefit of the admirable work of the Ladies' Working Party through their biennial bazaar was not received, the result is not unsatisfactory. The accounts actually show a small balance of £85, being excess of total Income over total Expenditure.

To the Employees' Hospital Fund Committee the

heartiest thanks are due and hereby extended; they have again substantially increased their membership and contributions and the harmonious working of this organisation and its happy co-operation with this Committee, reflect the greatest credit on its officials and ensures the greatest possible measure of benefit for its members.

The arduous labours of the Carnival Committee resulted in a contribution of £1,600 and it is hard to say too much in praise of the indefatigable devotion to the Hospital cause which produced double the sum mentioned, the other moiety being paid to the coffers of the New Hospital Fund.

The following become Life Governors of the Hospital by qualifying donations:—

Mrs. G. Bone; Mrs. M. A. Bucknell; Mr. M. Caidan; Mr. E. Coller; Mr. D. W. H. Evans; Mrs. A. Fraser; Mr. Herbert E. Horace; Mrs. Frank Innell; Mr. G. Foster Taylor.

Total Expenditure shows a decrease of about £1,050. There is a decrease of 6½d. per week in the cost of In-patients and a decrease of 15/10½d. in the cost of each In-patient, principally due to the reduction of the average length of stay from 17.47 to 16.03 days.

Out-patient costs show a welcome reduction at 1/4½d. per attendance and 6/8d. per patient.

Statistics.

In view of the elaboration of the statistics which, in accordance with custom, are supplied with this report, it is unnecessary to comment in detail upon them, but the Committee earnestly invite a study of the figures to be found on the following pages. Suffice it to say that every department, save that dealing with discharged and disabled Service men, shows a continued increase of work done.

In-patients show an increase of 134 at 1,497 and, altogether, 10,996 persons availed themselves of the services of the Hospital and the 9,657 out-patients, casualties and district cases, included in that figure, made 46,978 attendances.

Attention is drawn to an interesting table illustrating the progress of the Hospital at five-year intervals since its opening in 1888, on Page 25 of this Report.

In conclusion the Committee thank, with the greatest cordiality, all who have assisted them in the task of maintaining the Southend Victoria Hospital and so, in providing for the sick and suffering, whether resident in this locality or strangers within the gates, whether it has been by gifts of money, goods or personal service, including:—

SUBSCRIBERS and DONORS of GIFTS of MONEY.

DONORS of GIFTS in Kind.

THE HONORARY CONSULTING and ACTING MEDICAL STAFF to the In-patient and Out-patient Departments.

THE HONORARY OFFICERS.

THE HONORARY SOLICITORS (Messrs. Gregson & Saul).

The Editors of the "Southend Standard," the "Southend Observer," the "Southend Times," and the "Thameside Mail" for valuable space devoted to the cause of the Hospital;

It is a great pleasure to the Committee to again acknowledge the loyal and devoted work of the Nursing Staff, under the Matron (Miss J. L. Brown), and also that of the Clerical Staff, under the Secretary (Mr. G. G. Pearson), and to tender thanks for the same.

SIGNED on behalf of the Committee,
